Axel Adler scholarship for Sustainability 2024

The University of Gothenburg wants to increase the integration of sustainable development in education. To reach the vision of sustainable development and a sustainable study and work life, the University of Gothenburg offers programmes with sustainability labels. There are two different labels for sustainability programmes, which you can read about here: [Sustainability labelled programmes | University of Gothenburg \(gu.se\)](#)

The University of Gothenburg will be awarding a minimum of two students **Axel Adler Scholarship for Sustainability** in 2024. The scholarship is a tuition waiver scholarship. Axel Adler scholarship for sustainability is only offered to students applying for Sustainability focused programmes.

Requirements

To be eligible for **Axel Adler Scholarship for Sustainability** you need to meet the general requirements for Axel Adler Scholarship 2024 and the special requirements for Axel Adler scholarship for Sustainability, which are:

- You have applied for a sustainability focused programme and written a motivation in the application how you have and/or are planning to focus your studies within the sustainability field.

The list of sustainability focused programmes for the Axel Adler Scholarship for Sustainability is:

- Atmosphere, Climate, and Ecosystems, Master's Programme
- Ecotoxicology, Master's Programme
- Environmental Sciences, Master's Programme
- Geography, Master's Programme
- Global Health, Master's Programme
- Nordic Master's programme in Sustainable Production and Utilization of Marine Bioresources
- Public Health Science; Health Equality, Master's Programme
- Sea and Society, Master's Programme

Please note:

Only students at sustainability **focused** programmes can be awarded Axel Adler Scholarship for Sustainability. Students at sustainability **related** programmes cannot be awarded.

Axel Adler Scholarship for sustainability does not apply to the Education for Sustainable Development Programme, because it is not a campus-based programme

Application

The application follows the application for Axel Adler Scholarship, you can apply for both scholarships but only awarded one.

For students who have applied for a sustainability focused programme there will be an extra question *“Please motivate why you should receive The Axel Adler Scholarship for Sustainability, in reference to your focus within the area of sustainability”*. You can make a motivation with a maximum of 3000 characters.

Selection

The selection process is that Academic staff make the assessment and ranking, based on the CV and Motivation letter in your scholarship application and the motivational letter for the sustainability scholarship. The assessment is made in collaboration with the assessment of your application to the study programme, in order to assess your suitability for the programme, your commitment and desire to study as well as your motivation to study a sustainable focused programme.

Conditions

Conditions for the Axel Adler Scholarship for Sustainability follow the conditions for the Axel Adler Scholarship with the exception that only Masterprogrammes can be awarded. The Axel Adler Scholarship for Sustainability does not cover living and accommodation expense either.
