

ENTERPRISE RISK MANAGEMENT SEMINAR

Implementing Enterprise Risk Management and Integrating with Business Strategy, Finance and Operations – Seminar with Discussions with a Nordic Perspective

SCHOOL OF BUSINESS, ECONOMICS AND LAW, UNIVERSITY OF GOTHENBURG
FRIDAY 11 NOVEMBER, 2016 IN ROOM E44

The Centre for Finance in cooperation with AB Volvo and SKF International AB is organizing an Enterprise Risk Management (ERM) Seminar at the School of Business Economics and Law, University of Gothenburg on November 11th 2016. The seminar will consist of talks and discussions addressing challenges and best practices of ERM implementation and an overview of the current state of ERM implemen-

tation in Nordic firms. The purpose of the seminar is to gather together researchers, professionals and other interested parties to share different perspectives on ERM with the aim of supporting implementation and developing the academic understanding.

The workshop is free and open to industry professionals and academics.
