

Where to Go – What to Do

Holiday brochure

1 BIKING DAY

Fantastic uphill and downhill biking! We will cross the Sheep River on small bridges many times. So look forward to an exciting day on your mountain bike!

Remember: You need to be a good bike rider. We will provide patch kits and mini-pumps if anything goes wrong.

2 ADVENTURE TIME

This is a hike for two days and we will sleep over in tents. You will get the chance of your life to see some wildlife. Perhaps we will meet elks, wolves and bears. On the bus we will give you information about bear safety. Bears are normally afraid of people, but you **MUST** know what to do if you meet one!

Remember: Bring your own sleeping bag and leave all pets at home.

3 WILD WEST DAY

Northfork is a large ranch with many animals. One of the cowboys will show us how to rope a calf! You can also meet the other animals at the ranch (dogs, cats and rabbits). The day will end with a barbecue dinner and a sing-a-long.

Remember: Put on your boots and jeans and prepare for an all day event!

4 GO-KARTING

Speed Hill opened only two weeks ago and it is a very popular place. Many young people go there just to have a nice day. Bring your own lunch, because the restaurant will not open until July.

Remember: Tell your parents not to worry! The karts have seat belts and all drivers must wear a helmet and goggles to protect their eyes.

5 CALAWAY FUN PARK

There are lots and lots of things to do for kids and grown-ups! You can try great rides like the Corkscrew (a roller coaster), or watch a spooky show at the Haunted House! And why not try some of the yummy food served all over the park – hamburgers, caramel popcorn, waffles and hot dogs?

Remember: For some of the rides you must be eight years old or taller than 140 cm.

6 WATER PARK

Come and enjoy the awesome wave pool! The surf comes and goes every 15 minutes. Relax on the beach – play volleyball or just enjoy the sun. Why not ride down one of the longest waterslides in the country? You must be at least 150 cm tall.

Remember: Bring a life-jacket if you are not a good swimmer. There is a discount if you are more than ten people.
