

# Welcome to Canada

You are going to listen to 12 short texts about Canada. Below are some statements that match the information of each text. After each text there will be a short pause for you to fill in the letter of the matching statement in the appropriate box below. There are only 12 texts but 14 statements, so you can't use all the statements. Each statement should be used only once. You will hear the texts only ONCE.

*Write the letter of the section where you hear information about ...*

- A ... a mistake about continents
- B ... French Canadians wanting their own separate country
- C ... the victory of one European nation over another
- D ... the effect of outside pressure on the establishment of Canada
- E ... the origins of a name
- F ... the anxiety of a linguistic minority
- G ... the result of exchange of goods for the native population
- H ... a species posing a possible threat
- I ... the first settlers in Canada
- K ... a truly multicultural environment
- L ... the creation of a safe place for wild animals
- M ... officials longed for by some, best avoided by others
- N ... the native people getting the right to self-government
- O ... a famous sight between two lakes
