Motivation letter

International Master in Educational Research

Use this template to answer the questions below. Selection between eligible applicants in the two selection groups is made through the motivation letter. The letter should be up-loaded to your pages on www.universityadmissions.se no later than 1st February 2021.

Name of applicant:

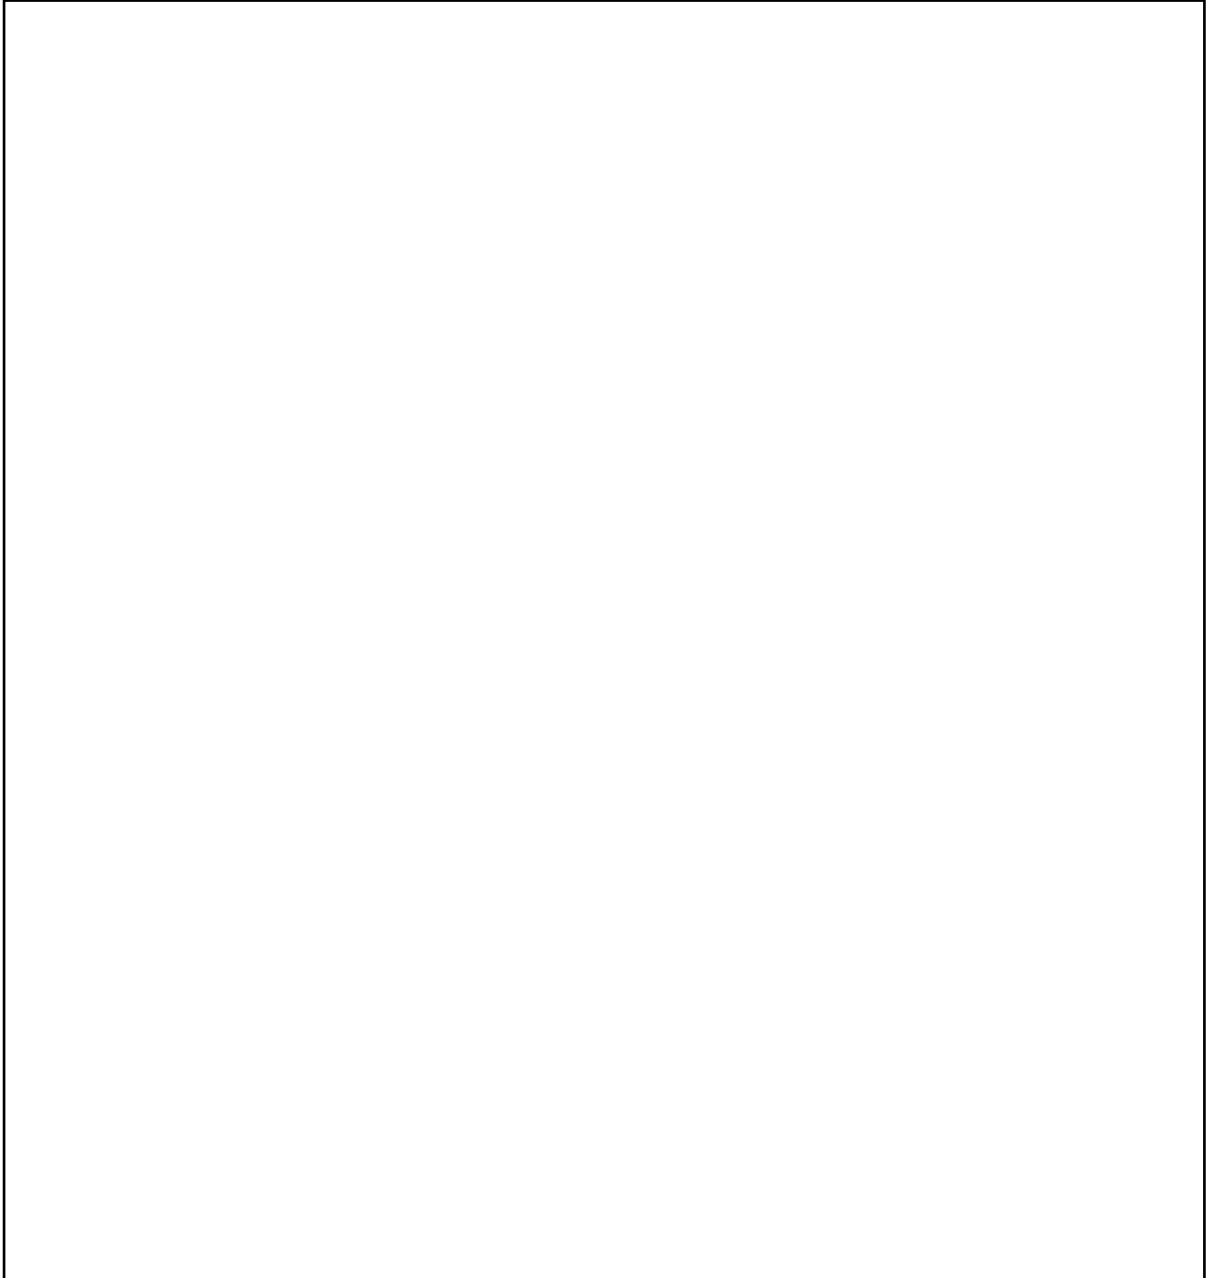

1. What is your qualifying degree for entry into IMER?

— For example, you may have a Bachelor in education, or in social science or humanities. Please state degree subject, the University, the country and the date you obtained your degree.

2. What skills and/or knowledge do you hope to gain through IMER?

— Please list up to three programme ambitions

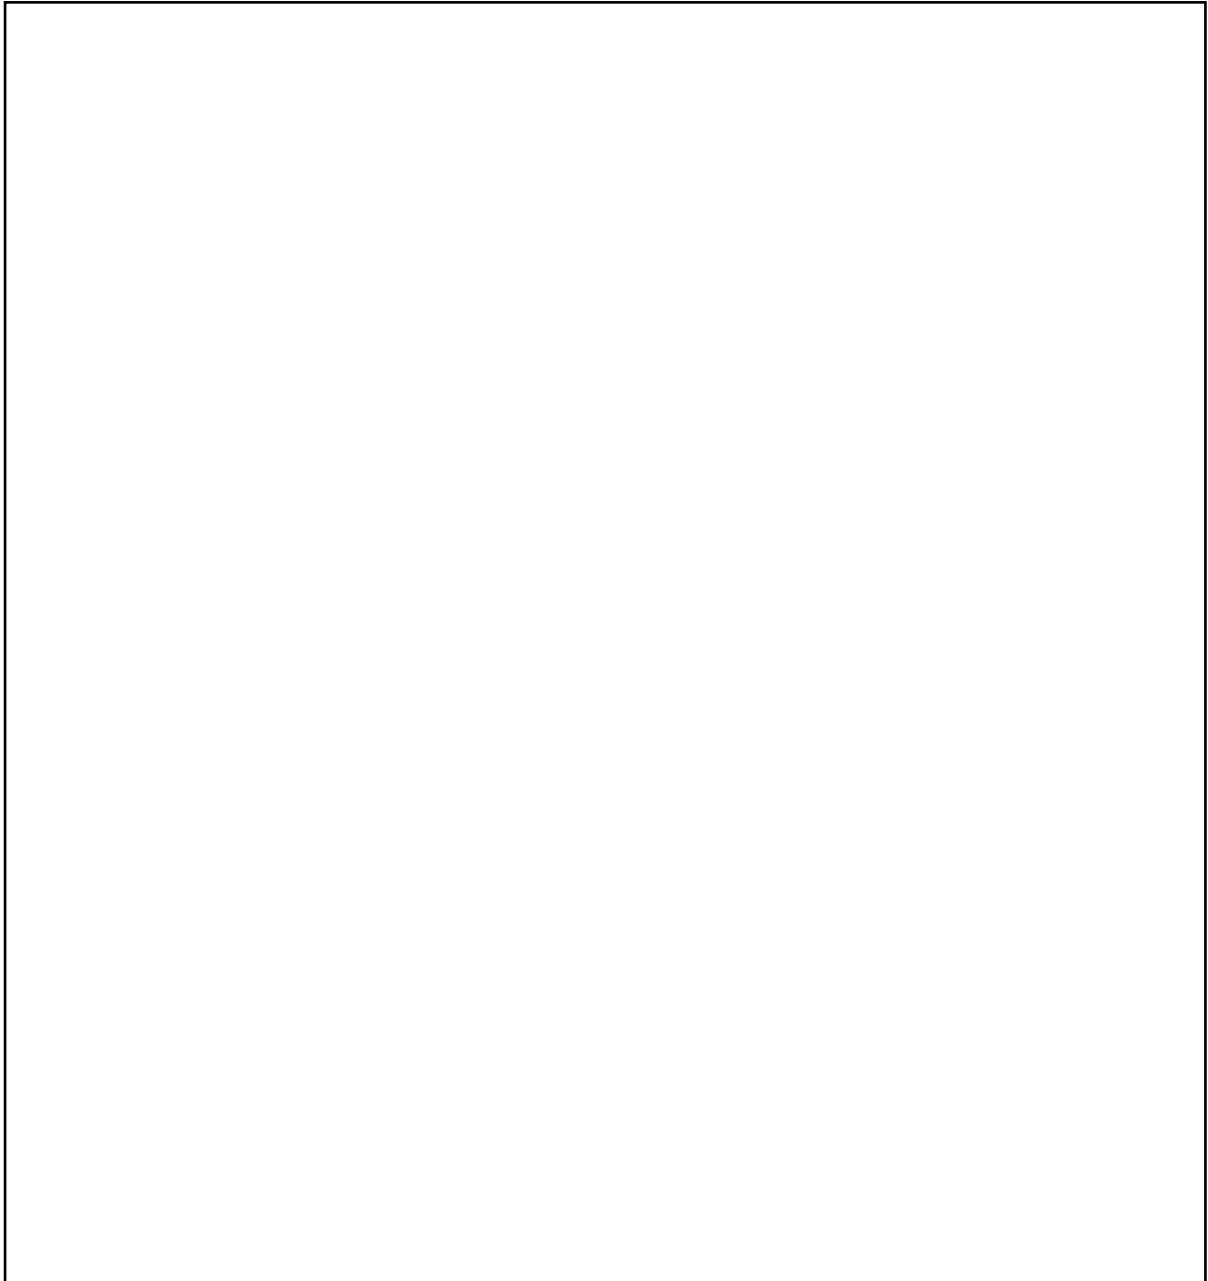

Maximum 3000 characters (including blank space)

A large, empty rectangular box with a thin black border, intended for the user to write their response to the question. The box is currently blank.

3. How do you intend proceed with your career following IMER?

— Please list up to three possible targets. Remember that IMER is about educational research, so try and clearly connect your answers to research in education.

Maximum 3000 characters (including blank space)

A large, empty rectangular box with a thin black border, intended for the user to write their response to the question. The box is currently blank.

4. What practical activities have you undertaken so far that are good examples of those ambitions?

— Please list up to three activities. These may be work experiences, voluntary work, or (school/university) study projects that you have done. For each activity, please make sure that you list someone who was, by preference, involved in an official capacity (staff of an organization, or a tutor) and who can confirm your activity, providing us with their name and an email address.
