

Biologiskt kulturarv i norra Sverige

A scenic view of a traditional Swedish village in the north. The foreground shows a large, dark wooden barn with a red-tiled roof and a chimney. The middle ground features several smaller wooden houses with red-tiled roofs, some with white window frames, scattered across a grassy hillside. A dirt path winds through the village. The background is a dense forest of tall evergreen trees under a blue sky with scattered white clouds.

A photograph of a forest with a large fallen log in the foreground and several tall trees in the background. The scene is filled with green foliage and brown tree trunks, creating a natural and somewhat somber atmosphere.
