

# 41<sup>st</sup> Nordic Health Economists' Study Group meeting

## 17<sup>th</sup>–19<sup>th</sup> of August 2022: Call for papers

**Gothenburg University and the Centre for Health Governance at Gothenburg University (CHG) will host the 41<sup>st</sup> Nordic Health Economists' Study Group (NHESG) meeting on the 17<sup>th</sup>–19<sup>th</sup> of August 2022. The conference will be held at Wallenberg Conference Center in Gothenburg.**

The meeting aims to bring together researchers who are working in the area of health economics and to promote continuous development of health economics as a sub-discipline of economics. Papers on all topics within health economics are welcome. Submitted papers representing various stages of the research process are expected. The conference language is English.

The usual NHESG procedural rules will apply:

- the discussant – and not the author - will present the paper, including both a summary and a discussion.
- each paper is allotted 40 minutes.

All participants will have the opportunity to download submitted papers. Access to papers will be restricted to registered participants.

**To submit an abstract** send an e-mail with a title and an abstract including the objectives, data and methods, results and conclusions (up to 500 words) to [NHESG@economics.gu.se](mailto:NHESG@economics.gu.se).

- The deadline for abstract submission is **April 1, 2022**.
- A scientific committee will make a final selection of papers to be presented at the meeting. Acceptance information will be e-mailed before **May 15, 2022**.
- The deadline for submitting a full paper is **June 30, 2022**.

**Keynote speakers:** Carol Propper (Imperial College London), Petter Lundborg (Lund University)

**More information** will be available at [the conference webpage](#). Please keep posted.

For questions please contact [NHESG@economics.gu.se](mailto:NHESG@economics.gu.se)

Looking forward to your abstracts! Best regards,  
The organizing committee
