

Gothenburg Global Biodiversity Centre

2022 ANNUAL MEETING

December 5th-6th

Mitigation of Biodiversity Loss:

Research & Action

Veras Gräsmatta, Chalmers University of Technology, Vera Sandbergs allé 8

Day 1: Research on Drivers of Biodiversity Loss: Assessment and Mitigation

- 12:00 *Light Lunch at Veras Gräsmatta*
- 13:00 Welcome and Introduction to GGBC
Allison Perrigo & Marie Stenseke. GGBC director and chair of the GGBC steering board
- 13:10 GGBC year 2022 update
Jenny Klingberg. Gothenburg Botanical Garden
- 13:30 Keynote: Biodiversity in Environmental Systems Analysis
Ulrika Palme. Chalmers University of Technology
- 14:05 *Leg stretcher*
- 14:10 Measuring the Impact of Changes in Land Use on Biodiversity
– Utilising the Massive Data Availability for Birds
Heléne Aronsson. Gothenburg University
- 14:30 Biodiversity and Ecological Risk Assessment
Sverker Molander. Chalmers University of Technology
- 14:50 *Fika*
- 15:20 Short Talks on Indirect Drivers of Biodiversity Loss and Major Upcoming Projects
- 15:20 Understanding agricultural-driven deforestation– from the local to the global
Martin Persson. Chalmers University of Technology
- 15:40 MISTRA FinBio Project
Henrik Johansson. Swedish Environmental Research Institute (IVL)
- 16:00 *Leg stretcher*
- 16:10 MISTRA BioPath Project
Viktor Elliot. University of Gothenburg
- 16:30 TETTRIS Project
Stefan Örgård. Gothenburg Museum of Natural History
- 16:50 Words of gratitude to Allison Perrigo's contributions to GGBC
- 17:00 *After-meeting gathering at Veras Gräsmatta*

Gothenburg Global Biodiversity Centre

2022 ANNUAL MEETING

December 5th-6th

Mitigation of Biodiversity Loss:

Research & Action

Veras Grasmatta, Chalmers University of Technology, Vera Sandbergs allé 8

Day 2: Biodiversity Action: Stakeholders and Collaborations

8:00 Tea & Coffee

8:30 Welcome and Introduction to GGBC

Allison Perrigo & Marie Stenseke. GGBC director

8:35 Updates from Partners of GGBC

Partner organizations of GGBC will present some of their notable achievements during 2022.

8:55 Leg stretcher

9:00 GGBC Collaborations: an Introduction

Allison Perrigo. GGBC director.

9:05 Stakeholders: Work on Biodiversity and Collaboration
Interests

SVEAFSTIGHETER. **Moa Andersson & Görel Hällqvist**

NUDIE JEANS. **Hanna Comstedt & Alina Ridderstad**

VOLVO CARS. **Karin André**

LÄNSSTYRELSEN. **Anna Stenstrom**

VÄSTFASTIGHETER (VGR). **Josephine Isaksson**

ENVIROPLANNING. **Tim Hipkiss**

10:25 Speed talks, Discussion Groups & Fika

Short presentation of projects & project-ideas from GGBC members followed by discussion groups around potential collaborations.

11:50 Wrap-up

12:10 walk to Hyllan Restaurang (Chalmersplatsen 1)

12:15 Lunch at Hyllan Restaurang

The GGBC is a Faculty of Science funded centre at the University of Gothenburg, hosted at the Department of Biological and Environmental Sciences, and operating in collaboration with our 17 partner organisations. For more information, please visit ggbc.gu.se

The GGBC 2022 Annual Meeting is supported by the Biodiversity and Ecosystem Services in a Changing Climate Strategic Research Area (BECC).
