Source: The national SOM surveys 1999-2022

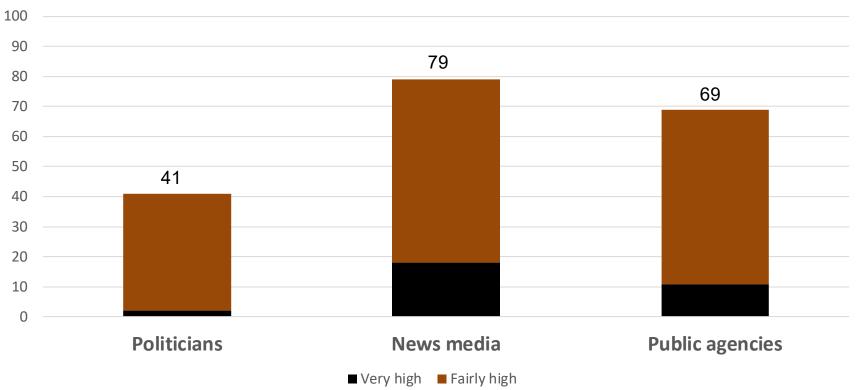

## Trust in swedish politicians Share very / fairly high trust (percent

Source: The national SOM surveyse 1998-2022

## Trust in politicians, public agencies, and news media 2022

Source: The national SOM surveys 2022

#### **Summary of general trends and indicators**

- ✓ Satisfaction with democracy and trust in politicians relatively high and stable
- √ Very high levels of pessimis about the swedish development

#### **BRIEF INTERNATIONAL COMPARISON**

An overview of satisfaction with democracy globally and over time can for example be found in this report

Centre for the Future of Democracy

REPORT

Global Satisfaction with Democracy

2020

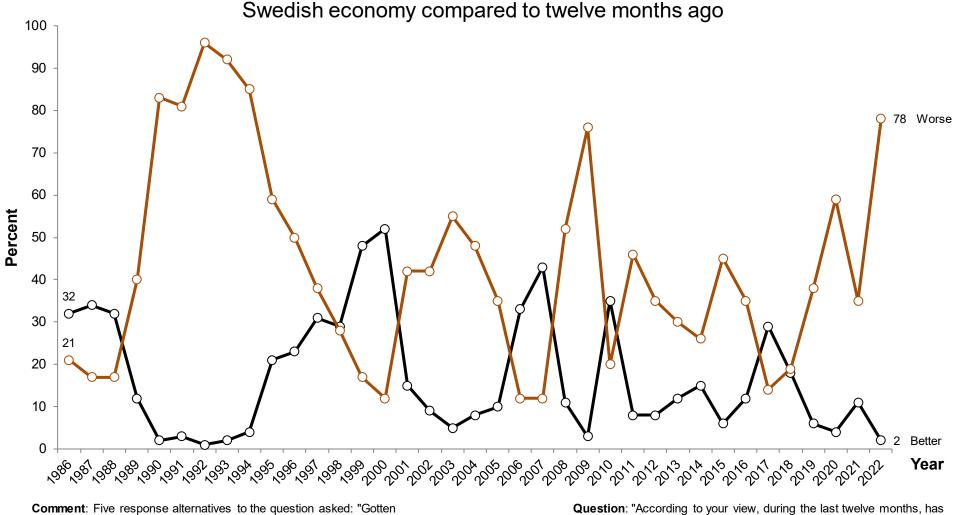

- (For graphs, check the original publication)
- Summary: satisfaction with democracy globally lower now than in the late 90s
- Especially in central america, latin america, and in parts of africa
- Still relatively high in northen europe (and in the baltic countries)
- The nordic countries are among the countries with the lowest degree of dissatisfaction with democracy, and the baltic countries around the middle of the global ranking

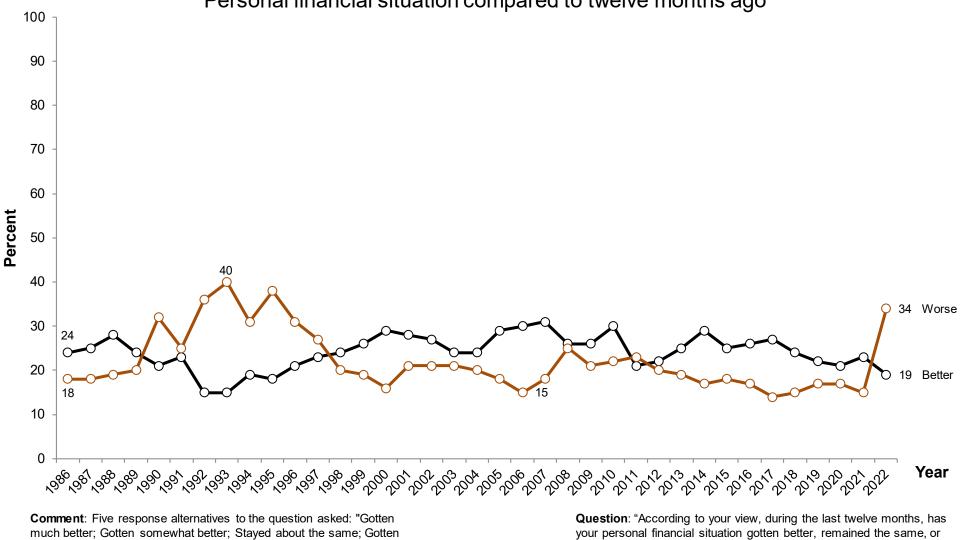

#### **ASSESSING THE ECONOMY**

much better; Gotten somewhat better; Stayed about the same; Gotten comewhat worse: Gotten much worse" All respondents are included

the Swedish economy gotten better, remained the same, or gotten

#### Summary of view on the economy

- √ The most negative economic assessments we have seen for very long time, both for society and
  the household economic situation
- √The quickest worsening of the perceived household economy in one year since the start of the SOM surveys
- ✓ Most household say they still manage fairly well on their income

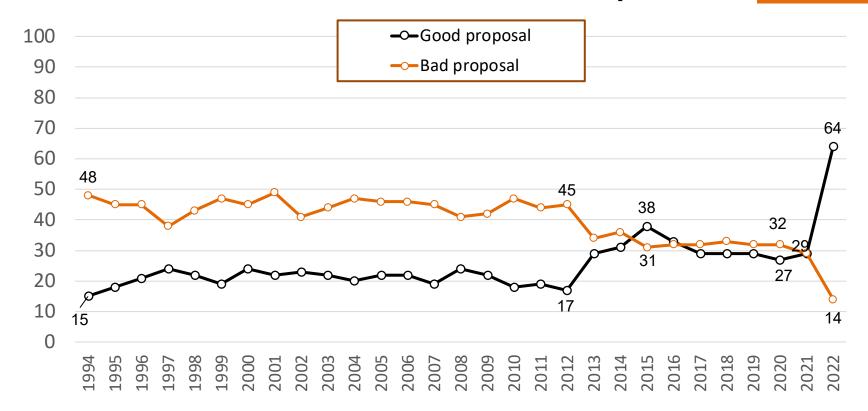

## PUBLIC OPINION OVER TIME IN SOME IMPORTANT AREAS

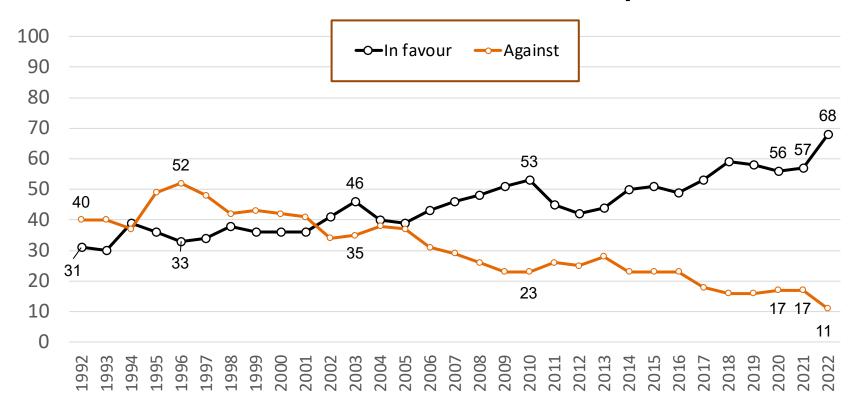

#### **Attitudes to swedish NATO membership**

Source: The national SOM surveys 2012-2022

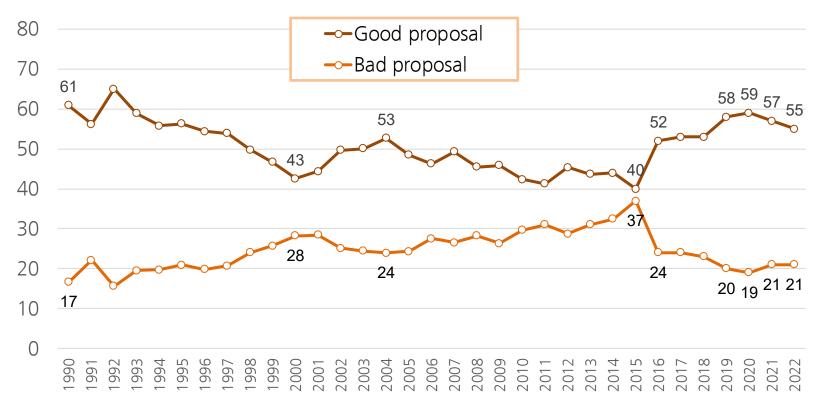

#### Attitudes to the Swedish EU membership

Source: The national SOM surveys 2012-2022

#### Opinion on receiving *fewer* refugees in Sweden

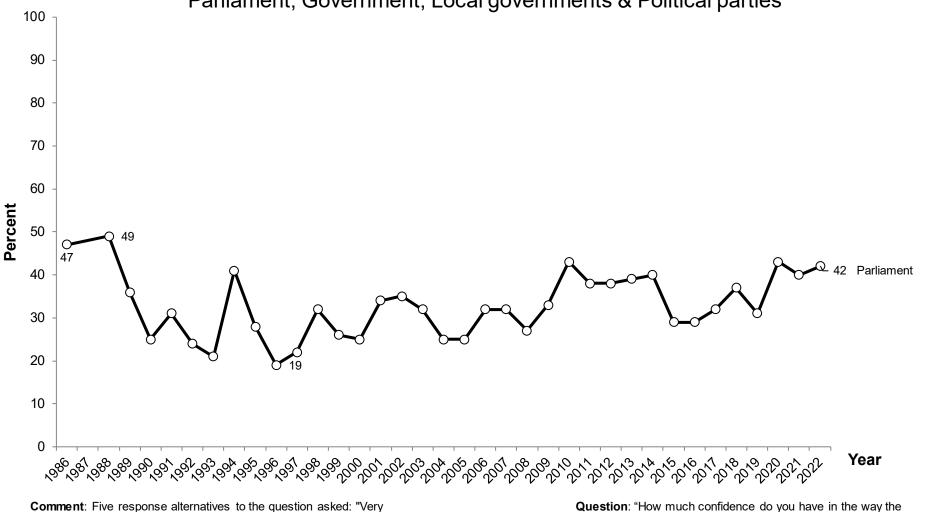

Source: The national SOM surveys 1990 – 2022

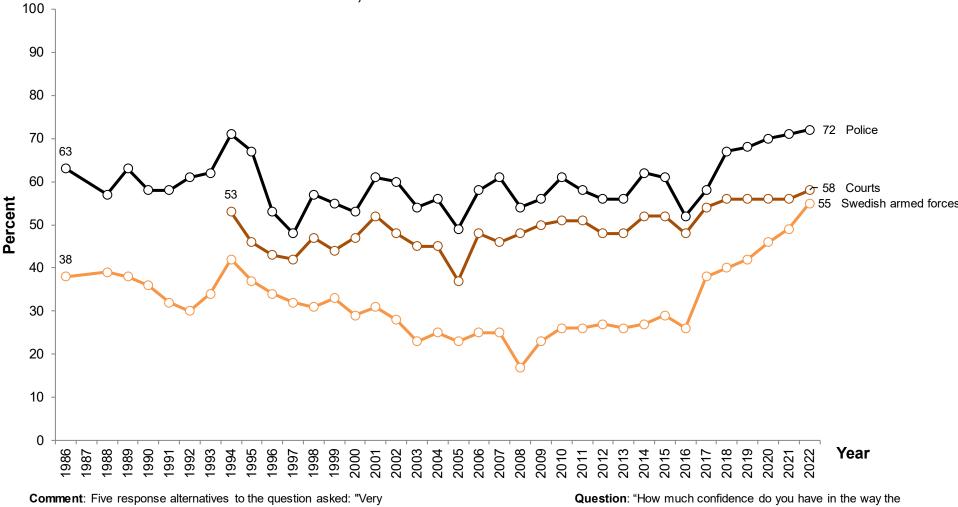

## THE PUBLIC'S TRUST IN PUBLIC AGENCIES AND THE PARLIAMENT

much; Fairly much; Neither much nor little; Fairly little; Very little". The lines show the percentage of respondents indicating very or fairly

#9	Democracy/rights	4
#10	Labour market	3

Which issues or sociatal problems do you think are the most important in Sweden today?

Source: The national SOM surveys 2022

#### **Most important issues: Crime**

Share mentioning the issues as one of the most important 1990-2022 (percent)

#### Summary of the public's political agenda 2022

- ✓ Crime still issue no 1
- ✓ Economy increasing, but still not in the absolute top
- ✓ Migration/integration continues to lose gradually in importance
- ✓ Energy issues increasing in importance quickly

#### Thank you for your attention
