Abstract instructions

- To begin, please download the abstract word template and adhere closely to the provided format. Abstracts that do not adhere to the specified guidelines will not be accepted.
- The deadline for submissions is **15 April, 2024**. Abstracts received after the deadline will not be considered.
- Your abstract should be in PDF format and no longer than one A4 page.
- Email the finalized abstract document to Caroline Beck Adiels at caroline.adiels@physics.gu.se and ensure the subject line reads: SMILS2024_Abstract.
- Authors should be aware that their abstracts will be distributed to all participants.

Review process

- Submitted abstracts will undergo peer review by the Scientific Committee within two weeks of the submission deadline.
- Author notifications will be sent out no earlier than 29 April, 2024. Authors will be invited to present either orally or via a poster.
- The conference co-chairs, who head the scientific committee, will make the final decision on abstracts.
