Additional Information/Further Studies

Ambition and Initiative Please describe any activities that show your ambition and initiative for working in the field of global health. For example, volunteer work, board service, community service, etc.

Relevant Work Experience (if applicable) Please describe any relevant work experience. Include the name of the company, or the equivalent, as well as the period of time you were employed.

You must certify your work experience with documentation. Statements from your employer must be official with the letterhead of the company as well as the employer's name, position and signature.

Relevant Research Experience (if applicable) Please describe any research experience you have acquired and specify the duration of each project listed. Include quantitative and qualitative experience. Please indicate if the experience was part of your academic studies or in addition to your studies. If you have relevant publications, please list them here with complete references.

A large, empty rectangular box with a thin black border, intended for the applicant to provide details about their research experience. The box is currently blank.

Statement of Intent Please describe why you are applying to our global health program, and why you believe you are a good candidate.
