📍 Swedish Exhibition & Congress Centre, Gothenburg, Sweden

INVITATION

We are delighted to invite you to the 2nd Global Conference on Person-Centred Care (GCPCC) in Gothenburg, Sweden, on 4-7 May 2026.

Join us at the Swedish Exhibition & Congress Centre for inspiring days bridging practice, organisation, and governance in person-centred care.

The theme *“Person-Centred Care: Bridging Practice, Organisation, and Governance”*, aims to synthesise and bridge diverse perspectives and knowledge about person-centred care.

The programme will include interdisciplinary and interprofessional fields, such as:

- Integrated care, comprehensive care, and personalised health
- Global perspectives and Indigenous health
- Precision health and digitalisation
- Art, design and performance
- Informal care and caregivers
- Public involvement, learning and education

Presentations will take various formats, including empirical research, art/media and performance, theoretical or philosophical inquiries, methodological developments, and practice-based examples through oral presentations, poster presentations, symposia, and workshops.

This conference will be of great interest to health professionals, patient and family caregiver representatives, researchers from various disciplines, designers, artists, leaders and decision-makers in healthcare, and industry representatives.

We look forward to welcoming you to Gothenburg!

GOTHENBURG

A vibrant city on the westcoast of Sweden.
Memorable moments

Adventures are close at hand as a rich cultural life and activities are all within easy walking distance, while deep forests, tranquil lakes, and salty cliffs, are only a short tram ride away.

The Swedish Exhibition & Congress Centre, has a central location with walking distance to restaurants, parks, shops and attractions. A number of prominent cultural institutions are found less than a five minutes walk away. View the unique collection of Nordic art at Gothenburg Museum of art or enjoy Gothenburg Symphony Orchestra at the concert hall, or explore the exhibitions of the Museum of World Culture or Universeum Science Centre.

Gastronomic brilliance

Gothenburg is a gourmet’s dream, renowned for its innovative cuisine crafted with local ingredients. Especially world-class seafood where delicious blue seafood is gaining popularity as a nutritional powerhouse while protecting our planet’s resources. First-class, gourmet, trendy or traditional are offered at reasonable prices.

Join a food walk to discover unique local flavours, treats or enjoy a beer at a local micro-brewery. And, don’t forget to indulge in a classic Swedish “fika” with coffee and a cinnamon bun at one of the many cosy cafés.
