Announcement of scholarship – postdoctoral fellow

Project Title: Mechanisms of mucin degradation by the microbiota

Project duration and dates: 2026-09-01 to 2027-08-31

Application deadline: 2026-07-22

Supervisor: Ana Sofia de Jesus Vaz Luis

Contact: e-mail: ana.luis@medkem.gu.se

Project summary:

Required skills

- Glycomics (analysis of results)
- Proteomics (preparation of samples and analysis of results)
- Microbiology
- qPCR
- PhD

Additional advantages (not required)

- Genetic manipulation of bacteria

Applications should be emailed to: ana.luis@medkem.gu.se

The application should include:

- motivation letter
- CV including contact info.
- PHD certificate
