

FRAM - The Centre for Future Chemical Risk Assessment and Management Strategies at the University of Gothenburg

Thomas Backhaus¹, Jessica Coria², Åsa Arrhenius¹, Lena Gipperth³, Martin Hassellöv⁴, Erik Kristiansson⁵, Sverker Molander⁶, Pernilla Rendahl³, Daniel Slunge⁷, Peter Tiselius¹, Thomas Sterner²

¹Dep. of Biological and Environmental Sciences, University of Gothenburg ²Dep. of Economics, School of Business, Economics and Law, University of Gothenburg, ³Dep. of Law, School of Business, Economics and Law, University of Gothenburg, ⁴Dep. of Marine Sciences, University of Gothenburg ⁵Department of Mathematical Sciences, Chalmers University of Technology, Gothenburg, Sweden ⁶Department of Mathematical Sciences, Chalmers University of Technology, Gothenburg, Sweden ⁷The Centre for Environment and Sustainability (GMV)

Aims

- ☐ Develop methods to define sufficiently protective boundaries for the totality of chemical emissions into aquatic ecosystems.
- ☐ Analyze and prioritize policy and economic instruments for the sustainable management of chemicals and their mixtures in various ecological and political systems.

Setup

- ☐ Trans-disciplinary center at the University of Gothenburg (Sweden)
- ☐ Ecotoxicology, Environmental Economics, Environmental Chemistry, Environmental Law, Tax Law, Policy, Ecology, Mathematical Statistics
- ☐ Kickoff: April 2016
- ☐ Life expectancy: 7 years
- ☐ Initial funding: 6 MEuro

Case studies planned in

- ☐ Stenungsund, Sweden
- ☐ Chesapeake Bay, USA
- ☐ Aconcagua River, Chile
- ☐ Lake Naivasha, Kenya

Other activities

- ☐ Newsletter
- ☐ International exchange program
- ☐ Teaching & Education

Now we only need to specify our questions a bit more...

Advisory Board

- ☐ Leo Posthuma, RIVM, The Netherlands
- ☐ Werner Brack, UFZ Leipzig-Halle, Germany
- ☐ Ethel Forsberg, author, former head of Swedish Chemicals Agency, Sweden
- ☐ Gunilla Ericsson, Swedish Chemicals Agency, Sweden
- ☐ Anna Lennquist, International Chemical Secretariat (ChemSec), Sweden
- ☐ Baskut Tuncak, Center for International Environmental Law (CIEL), USA
- ☐ Martin Scheringer, ETH Zürich, Switzerland
- ☐ Åke Bergman, Swetox, Stockholm, Sweden
- ☐ Roy Brouwer, University of Waterloo, USA
- ☐ Achim Halpaap, UNEP, Chemicals and Waste Branch (*associated*)
