## CURRICULUM VITAE

Tel. +47 98857647  
Konstepidemins väg 2D  
Box 700, 413 14  
Gothenburg

### PROFESSIONAL SUMMARY

I research how material remains of the past become something worth taking care of. I am interested in people to whom cultural heritage is important, but also to whom it is not important, and why that is. This often acts as a source of conflict and I want to understand and find ways to navigate such processes. I am also interested in how nature and animals are used in relation to cultural heritage in these processes.

### ACADEMIC POSITIONS

- Aug. 2024 – present      PhD EU-Postgraduate Student (Marie Curie grant) at School of Global Studies, University of Gothenburg.  
Project: *Archaeological Coastal Heritage: Past, present and future of a hidden prehistoric legacy (ArChE) - ArChE*. Horizon Europe Marie Skłodowska-Curie Actions Doctoral Networks (MSCA-DN). Project 101119258. Grant: €2 737 461.60.
