

CURRICULUM VITAE (brief)

Name: Christian Munthe
Date of birth: June 12, 1962
Citizenship and country of residence: Sweden

Christian Munthe conducts research and expert consultation on ethics, value, and policy issues in the intersection of health, science & technology, the environment, and society. He has published 9 academic books and over 70 research articles and book chapters. He often uses inter- and transdisciplinary approaches, collaborating with researchers and practitioners from medicine and care, environmental-, natural and technological science, economics, law, politics, and psychology. He is a frequently commissioned expert by public agencies in Sweden and abroad, and a source and participant in media reporting and debates within his area of expertise. He is elected working member of the Royal Society of Arts and Sciences in Gothenburg, regularly serves on prestigious ethics councils in Sweden and abroad and was a member of the board of the University of Gothenburg 2016-2018.

Current position

- 2004– (Full) Professor of practical philosophy, Dept. of Philosophy, Linguistics and Theory of Science, University of Gothenburg.

Conference organization (main responsibility)

- 2001: *Coming Ethical Challenges in Prenatal Diagnosis and Reproductive Genetic Counselling*, University of Gothenburg.
- 2008: *Secularisation and Secularism: International Multi-disciplinary Perspectives*, University of Gothenburg
- 2010: *Research on Disability and Higher Education: Access and Inclusion for the Cognitively and Intellectually Disabled – Basic and Theoretical Issues*, University of Gothenburg.
- 2011 (with Dag Westerståhl): *FILOSOFIDAGARNA: Biennial Conference of the Swedish Philosophical Association*, University of Gothenburg
- 2011: *The Philosophy of Hate Crime*, University of Gothenburg.
- 2011: *Media, Alcohol and Violence in Young People: Research and Policy Perspectives*, University of Gothenburg.
- 2013: *Ethics and Evidence in Health Care and Medicine*, Västra Götaland County Government & University of Gothenburg.
- 2014: *Reproductive Public Health Ethics*, MANCEPT Workshops in Political Theory, University of Manchester.
- 2015 (with Urban Strandberg): *Reconsidering Humanity: Big Data, the Scientific Method, and the Images of Humans*, University of Gothenburg and Chalmers Institute of Technology.
- 2017 (with Joakim Larsson): *Ethics and Value Challenges in Antibiotic Resistance Management, Policy and Research*, University of Gothenburg.
- 2019: *Ethics and AI – Ethical Challenges for AI in Business, Health Care and Public Service*, University of Gothenburg.
- 2022 (as member of organizing and scientific committee): *EDAR-6: Sixth International Symposium on the Environmental Dimension of Antibiotic Resistance*, University of Gothenburg.
- 2023: *Social Microbes: What are they and what can they do (for you)?* University of Gothenburg.

Teaching (Postgraduate level)

- Examiner and supervisor in practical philosophy for Advanced (Masters) and Ph.D. level programs, University of Gothenburg (since 1998)
- Guest supervision of PhD theses in philosophy, ethics of technology, caring science at other faculties and universities (continuously since 2005).
- Guest supervision of MA theses in global health, apothecary science at other faculties (continuously since 2018)
- Ethics module, Research supervision course, University of Gothenburg (since 2020)
- Ethics module, Master program in evidence-based practice, Department of philosophy, linguistics and theory of science, University of Gothenburg (since 2014).
- Ethics module and thesis supervision, Master program in Global Health, Sahlgrenska Academy and the Faculty of Social Sciences, University of Gothenburg (since 2017).
- Ethics modules and lectures, Specialist-in-Training (ST) program in medicine and nursing, Sahlgrenska university hospital (since 2016)
- Ethics module, Research school in clinical sciences, Sahlgrenska Academy, University of Gothenburg and the Västra Götaland County Government (since 2014-2022)
- Ethics module, Master program in Genomics and systems biology, Faculty of Natural Science, University of Gothenburg (2012-2022)
- Invited lecturer/mentor on ethics themes at international PhD training courses and schools: Applied ethics (Birmingham, 2010), Family ethics (Groningen, 2017, 2019), Nordic antibiotic resistance PhD network (Gothenburg 2018, 2022), Uppsala antibiotics centre (2019), LIDo bioscience training network (London 2020).

Teaching (Graduate level)

- Examiner, lecturer and supervisor in practical philosophy at the basic (BA) level courses and programs, University of Gothenburg (since 1998)
- Guest supervision of BA thesis in pharmacy (2022).
- 1988-1996, Stockholm University: Argumentation analysis, Applied ethics, Ethics, Medical ethics, Metaethics, BA thesis supervision, Ethics of Science

- From 1996, University of Gothenburg, own department: Argumentation analysis, Applied ethics, Bioethics, David Hume's moral philosophy, Ethics, History of philosophy, medical ethics, Metaethics, Philosophy of law, Political philosophy, BA thesis supervision.
- From 1996, University of Gothenburg, other departments and all faculties: Invited guest lectures and seminars on ethics and/or philosophy at numerous courses at both the basic and the advanced level.
- From 1990: Chalmers Institute of Technology, Nordic School of Public Health, Karolinska Institutet, Royal Institute of Technology, Sahlgrenska Academy: courses and lectures on bioethics, ethics of risk, ethics of technology, medical ethics, public health ethics, research ethics, et cetera on basic as well as advanced levels.

Textbooks and other teaching publications

- A number of articles/chapters included in textbooks and/or collections aimed for teaching in English as well as Swedish. List available on request.

Public Engagement, Interaction and Impact

- Member of the council for ethics of the *Swedish National Board for Health and Welfare* (Socialstyrelsen) (since 2021)
- Member of the ethics working group of the *Austrian/German/Swiss Public Health Competence Network* for the Covid19 pandemic (since 2020)
- Member of the *Working-group on orderly introduction of new pharmaceuticals and indications*, Västra Götaland County Government (since 2013)
- Member of the *Biobank council*, Västra Götaland County Government (since 2013)
- Deputy member of the *The Swedish Gene Technology Advisory Board*, a national advisory committee and agency appointed by the Swedish government (2015-2018)
- Member of the *Delegation for medical ethics of the Swedish Society of Medicine*, the joint Swedish organisation of medical research specialities (2014-2018)
- Member of the steering group of the *Network for medical ethics in western Sweden*, Västra Götaland County Government, arranging continuous seminars and education conferences for health care professionals, administrators, managers and policy makers (2010-2018).
- Member of the *National Council of Medical Ethics*, a central counseling body to the Swedish national government and parliament (2000-2006).
- From 1997: independent and/or official expert in national Swedish policy and law making on several occasions, e.g., on abortion, agricultural and environmental policy, genetic testing, prenatal diagnosis, stem cell research, assisted reproductive technology, psychiatric care, forensic psychiatric criminal legislation, communicable disease control.
- Continuous expert consultancy on bioethics, medical ethics, ethics of technology and general applied ethics, social or political philosophy to the Swedish government and parliament, as well as national, regional and local authorities, agencies, committees, institutions (e.g., hospitals), and NGOs.
- Public "popular" lectures and seminars on philosophical and/or applied ethical topics in a variety of situations and venues all over Sweden since the early 1990's.
- Daily press, Radio and TV (Sweden): Numerous and continuous appearances, consultations, interviews and original contributions, mostly about applied ethics perspectives on current issues in public debate and policy.
