BIO

Marie Stenseke (Born August 22, 1963 in Algutstorp, Sweden) is a social scientist with a PhD in Human and Economic Geography (Lund University, Sweden, 1997). She is a Professor in Human Geography at the department for Economy and Society, University of Gothenburg, Sweden.

Professor Stensekes research concerns biodiversity, nature conservation and landscape management from a social science perspective. Her academic work has predominantly been carried out in an interdisciplinary context and often in collaboration with governmental bodies and other stakeholders. She has been involved in a large number of national and international research projects and programs, and engage with knowledge communication through various special commissions.

EMPLOYMENT HISTORY

- Professor in Human Geography, University of Gothenburg 2011- present
- Senior lecturer at the Dept. of Human and Economic Geography, Univ. of Gothenburg 2001-2011
- Postdoctor position, Dept. of Human and Economic Geography, Univ. of Gothenburg 1998-2001
- PhD-student, Department of Human and Economic Geography, Lund University, 1993-97
- Secretary of planning, Secretary of industry and commerce, Klippan municipality, 1989-93
- Secretary of building and planning, Norrtälje municipality. 1987-88

EDUCATION

- Ph.D. in Human and Economic Geography, Lund University, 1997.
- Bachelor of Science (BSc) in Urban and Regional Planning, Stockholm University, 1987.

ACADEMIC LEADERSHIP

- Co-chair of the Multidisciplinary Expert Panel (MEP) the Intergovernmental science-policy platform on biodiversity and ecosystem services (IPBES). 2015-
- Vice President of The Permanent European Conference on the Study of the Rural Landscape (PECSRL), 2006 – 2012 , and member of the board 2012 –
- Member of the Scientific Council at the Swedish research council FORMAS 2013-

- Member of the Faculty board for the School of Business, Economics and Law, University of Gothenburg, 2012-2015
- Head of Department, Dept. of Human and Economic Geography, Univ. of Gothenburg, 2007-09
- Vice programme director for the research programme "Outdoor recreation in change – Landscapes, Experiences. Planning and Development", and project leader for "Outdoor recreation and nature conservation". Swedish Environmental Protection Agency, 2006-2012.
- Member of the steering group for The Sven Lovén Centre for Marine Sciences, 2008-10
- Head of the research group *Nature-society relations in a landscape perspective*, 2003-
- Main supervisor for 7 PhD students. 6 have completed their PhD exams: Kristina Thorell 2008, Theophile Niyonzima 2009, Mattias Sandberg 2012, Elin Slätmo 2014, Andreas Skriver Hansen 2017, Mirek Dymitrow 2017. Co-supervisor in 2 ongoing PhD projects.

COMMISSIONS IN IPBES

- Co-chair, IPBES Multidisciplinary Expert Panel, 2015-
- Member of the Global Assessment Management Committee, 2016-
- Member of the Management committee for the Regional assessment for Europe and Central Asia, 2015-

- Participant in the scoping of the assessment on diverse conceptualization of values 2015-16
- MEP representative in IPBES expert group on Scenario and modelling, 2016-17
- Resource person to the Task group on indicators, in the Task force on data and knowledge, 2017-
- Member of the internal review committee, 2016-

OTHER ACADEMIC COMMISSIONS

- Fellow of The Royal Swedish Academy of Agriculture and Forestry, 2012-
- Member of the Landscape committee at The Royal Swedish Academy of Agriculture and Forestry, 2016-2018.
- Member of the Swedish Scientific Council for Biodiversity and Ecosystem services, 2013 -
- Participant in Future Earth's Natural Asset Definition Working Group meeting, Bern, 12-13 Sept 2017
- Participant in Workshop on relational values, convened by UNESCO and BC3, San Sebastian, 30 May - 1 June 2016
- Member of the Swedish Research Council's evaluation panel on Biodiversity, 2004 – 2006

- Member of the board for the research program Landskap i endring, at the Research Council of Norway, 2004-2006
- Member of the board for Mountain Mistra research programme, 2003-2006.
- International expert in the projects Conservation Covenants in Norway - moderating conflicts, reducing biodiversity loss and improving resource management? 2008-2011, and Till Kysten. 2009-11, The Research Council of Norway.
- Organizer of 3 international conferences and 12 international seminars/workshops
- Invited speaker at 26 academic conferences, seminars and workshops
- Faculty opponent at 5 occasions, opponent at licentiate seminar 3 times, member of the evaluation committee at dissertations at 33 occasions and pre-opponent at 8 occasions
- Expert appointments, at 10 occasions; 1 professorship, 4 docents (Associate professor), 5 lectureships and 1 research fellow
- Reviewer for e.g. PLOS ONE, International journal of Biodiversity Science and Ecosystem Service Management, Land Use Policy, Norwegian Journal of Geography, Springer's Landscape series, Forest Ecology and Management, Landscape and Urban Planning, Landscape Research, Environmental Science and Policy, Journal of Land Use Science, Finnish Journal of Rural Policy Research, Scandinavian Journal of Hospitality and Tourism, Ambio, Geoforum, Journal of Integrative Environmental Sciences

SPECIAL COMMISSIONS OUTSIDE ACADEMIA

- Half-time evaluator of the Marine spatial planning process in Sweden 2017.
- Evaluator of the Swedish Biodiversity Centre, CBM, 2017.
- Member of the Swedish delegation at IPBES-3, 11-16 January, Bonn.
- Scientific advisor in marine spatial planning for The Swedish Agency for Marine and Water management, 2014.
- Member of the national committee for UNESCO's program "Man and the Biosphere", 2004 - 2008.
- Board member, Svenskt Friluftsliv 2010-2015 (an NGO for outdoor recreation, organizing about 2 million Swedes)
- Member of the reference group for the LONA-project on urban proximate nature in Delsjön-Härskogenkilen, The Göteborg region, 2013-2015
- Participant in Swedish Environmental Protection Agency's yearly 2 days think tank event on Outdoor recreation, 2006-2013
- Participant in Swedish Forest Agency's workshop on environmental quality objectives, 19 Jan 2011.
- Member of Swedish Environmental Protection Agency's committee for wildlife management, 2004 -2009

- Member of the National committee for UNESCO:s program "Man and the Biosphere", 2004 - 2008.
- Invited speaker at conferences seminars and workshops outside the academic world at 30 occasions since 2006, e.g. at the Swedish Environmental Protection Agency, Swedish Board of Agriculture, The county Administrative Board of Västra Götaland, the Nordic parc and outdoor recreation congress, various museums, Swedish Outdoor Association, Rotary.

RESEARCH PROJECTS

- Member of the research team for the project 'Integrated coastal management and planning' Research council of Norway, 2016-2019;
- Project leader for 'Scrutinizing marine spatial planning in Sweden: A discursive analysis of themholistic ambitions in the ongoing MSP process', Centre for Sea and Society, University of Gothenburg, 2017-2018.
- Member of the research team for the project 'Integrated coastal management and planning' Research council of Norway, 2016-2019;
- Project leader for "Outdoor recreation in coastal areas – monitoring qualities and managing conflicts. The case of Kosterhavet National Park". 2012-2016
- Vice programme director for the research programme "Outdoor recreation in change – Landscapes, Experiences. Planning and Development", and project leader for "Outdoor recreation and nature conservation". Swedish Environmental Protection Agency, 2006-2012.
- Member of the research team for the project "Woody or treeless pastures? Linking subsidy systems, farmers decisions and management for understanding biodiversity patterns." 2012-2014. Formas.
- Member of the research team for the project "Landscape diversity and the nature/culture divide" Swedish University of Agricultural Sciences, 2010-2012, Formas
- Member of the research team for the project "Rethinking agricultural land abandonment to create socially responsive and biodiverse landscapes". 2009-2011, Formas.
- Member of the research team for the project "Land use changes in urban pressure areas", Research council of Norway, 2009-2012.
- Member of the research team for the project "Management of suburban forests: Combining conservation of biodiversity and recreation". 2007-2009, Formas.
- Project leader for The process of implementation, in the MISTRA research program HagmarksMistra 2004-2008.
- Project leader for The general public and seminatural pastures, in the MISTRA research program Hagmarksmistra 2004-2008.
- Project leader and supervisor in the national aid-program for Rwandese PhD-students in Environmental geography 2003-2009. SIDA.

- Project leader for *Local community participation and learning for enhanced biodiversity*, Financed by Formas 2002-2006.
- Project leader, together with professor Håkan Rydin and PhD Sebastian Sundberg, Evolutionary Biology Centre, Uppsala university, for "Vem vill ha myllrande våtmarker?", synthesis project in the research program Conservation Chain, Swedish Environmental Protection Agency, 2004-2005.
- Project leader, together with professor Margareta Ihse, Department of Physical Geography for "Drivkrafter och orsaker till de förändringar i landskapet som registrerats i LiM-karteringen" (SEPA 2004-2005).
- Project leader for "Buying biodiversity. Consumers perspectives on beef produced on seminatural grasslands, 2003-2004, (Adlerbertska Forskningsstiftelsen).
- Project leader for *The Human Factor in Seminatural Pasture Management*, in the MISTRA research program Hagmarksmistra 2001-2004. (In collaboration with Professor Ulrich Nitsch.)

ORGANIZER OF INTERNATIONAL CONFERENCES AND SEMINARS

Chair and co-chair of three international scientific conferences:

- The International Congress on Coastal and Marine Tourism 2017, Gothenburg 13-16 June 2017;
- The 26th session of the Permanent European Conference on the Study of the Rural Landscape, Gothenburg and Mariestad 8-12 Sept 2014;
- The 6th session of Monitoring and Management of Visitors, Stockholm, 21-24 Aug. 2012.

Organizer of 12 international workshops:

- *The future of landscape characterisation and the future character of landscape*. Seminar at The Royal Swedish Academy of Agriculture and Forestry, 3-4 March 2014
- *Nature, Time and Environmental Management*. Session at the Royal Geographical Society – International British Geography Conference (RGS-IBG) London, 29 Aug 2013.
- Friluftsliv i förändring*. Final seminar for a 6-year research project, Stockholm 12 feb 2013.
- *Enhancing the contribution of the social sciences to sustainability debates: how can we be proactive and practical without compromising on complexity?* University of Gothenburg, Göteborg, 12-13 Nov 2012.
- *Landscape dynamics and sustainable resource use*. Workshop at the 10th Nordic Environmental Social Science Conference, Stockholm, 14-16 June 2011.
- *Outdoor recreation and nature based tourism in rural areas – implications and challenges*. Workshop at the conference Nordic rural futures, Uppsala 3-5 May 2010.

- *European Landscape Convention*, Panel session vid The Permanent European Conference on the Study of the Rural Landscape, 24th meeting, Latvia, 23-27 August 2010.
- *What belongs in a changing nature? Northern and Southern perspectives on nature and everyday landscape*. Hönö 30 nov - 1 dec 2009.
- *Friluftsliv och biologisk mångfald*, at the conference Friluftsforskning 2008, Karlstad 12-13 nov 2008.
- *Public participation in landscape management, and the European Landscape Convention*. at the The Permanent European Conference on the Study of the Rural Landscape, Portugal, 1-5 September 2008.
- *Nature-Culture-landscape – Scandinavian and Australian perspectives*, A serie of video seminars, 2008-2010.
- *Environmental geography and sustainable development*, at Nordic Geographers' meeting, Bergen, 15-17 June 2007.
- *Landscape management with people in mind*, Lökeberg, Sweden, 12-13 Nov, 2003;
