Academic degrees

2004 Ph.D., Human ecology, University of Lund

Main research fields:

Environmental anthropology, Management of natural and cultural heritage resources, Large carnivore management, Rural land use, Collaboration, Participation, Environmental conflicts, Human-wildlife dimensions

Main teaching fields:

sustainable development, heritage management, human-wildlife dimensions, natural resource management

Academic experience

Head of research project:

2015 - 2018 Environmental Collaborative Governance in Large Carnivore Management: Policy and Institutional Design, Administrative Leadership and Stakeholders

2015 - 2017 GASTROCERT - Gastronomy and Creative Entrepreneurship in Rural Tourism

International research projects:

2015 - 2017 GASTROCERT - Gastronomy and Creative Entrepreneurship in Rural Tourism, Spain, University of Girona Italy, Mediterranea University of Reggio Calabria United Kingdom, University of the Highlands and Islands

2013 - 2015 Collaboration, USA, University of Arizona

Supervision of PhD students:

2008 - 2015 Madeleine Prutzer, University of Gothenburg (Head supervisor)

Opponent and/or examiner of PhD and licentiate theses:

2015 Bjørn Egil Flø, Norwegian University of Science and Technology (Opponent)

Reviewer assignments:

International Journal of Biodiversity Science, Society and Natural Resources, Landscape Research, Ecosystem Services & Management, Journal of Environmental Policy and Planning, Environmental Values

Pedagogical training:

2011	Teaching and learning in Higher Education 2
2009	Supervision in Postgraduate Programmes
2009	Teaching and Learning in Higher Education 1

Pedagogical projects and development:**Other experience**

Experience outside of academia within field:

2012 - 2010	Expert, Governmental Commission for the development of a new predator policy
2009 - 2009	Expert, Swedish Environmental Protection Agency
