Teaching

1. Lecturer/seminar moderator: *Second course in normative ethics* (for second-semester practical philosophy students), University of Gothenburg, Spring 2022, 6 ECTS:
 The course focuses on utilitarianism and its challenges, using Christopher Woodard's *Taking Utilitarianism Seriously* (OUP 2019) as the main course text. The course is also focused on teaching students to learn to write an argumentative essay.
2. Lecturer and seminar moderator: *Political Philosophy* (for first-semester practical philosophy students), University of Gothenburg, Autumn 2020, Spring 2021, and Autumn 2021:

- Six two-hour lectures on: the state of nature and political obligation, democracy, freedom, distributive justice, distribute justice and desert, the justification of the institution of punishment. In addition, I held three two-hour seminars on applied topics in political philosophy.
3. Lecturer: Contemporary Western Philosophy (evening course), University of Gothenburg, Autumn 2020.
Two two hour lectures on: Collective moral responsibility, collective moral obligations.
 4. Lecturer (and course organizer): Philosophy of Language (for first-year theoretical philosophy students), Lund University, Autumn 2019 and Spring 2019.
Ten two-hour lectures on: sense and reference, compositionality, Kripke on proper names, Putnam and semantic externalism, the later Wittgenstein and the normativity of meaning, Grice and communicative intentions, Davidson and truth-conditional semantics, Grice and implicatures, the semantic-pragmatics interface, and slurs and politically significant terms.
 5. Lecturer: Philosophy from 1900 (for first-year theoretical philosophy students), Lund University, Autumn 2019, Spring 2019, Autumn 2018 and Spring 2018.
One two-hour seminar and seven two-hour lectures on: 'Husserl's *Logical Investigations*', 'Husserl's *Ideas*', 'Heidegger and phenomenology', 'de Beauvoir', 'Gadamer', 'Derrida' and 'Davidson'.
 6. Lecturer (and course co-organizer): Collectivity and Responsibility, National graduate course in philosophy, April 16-19 + workshop April 20-21, 2018.
Four two-hour lectures/seminars on: 'Joint intentional action and shared responsibility', 'Corporate agency and mentality', 'Responsibility gaps', 'Unstructured groups 2 – collective obligations'. I gave the introductory lecture on 'Agency and responsibility' together with my course co-organiser Björn Petersson. The course included an international two-day workshop that the students were required to attend.
 7. Lecturer (and course organizer): Cognition and Communication (for Cognitive Science Master students), Lund University, Spring 2018.
Five two-hour lectures/seminars on: 'Individual cognition/cognitivism', 'Embodied, embedded, distributed', 'Social constructivism', 'Interactionalism', 'Joint action'.
 8. Lecturer (and course organizer): Social Cognition, University of Copenhagen, Autumn 2016.
Fourteen three-hour classes on: 'Introduction: Communication, Cooperation and Mindreading', 'Meaning and Communicative Intentions', 'Common Knowledge', 'Joint Intentional Activity', 'Implicature', 'Understanding in Communication', 'Turn-Taking in Conversation', 'Deflationary Views: Egocentrism and Automatic Alignment', 'Intentional Communication and Cognitive Sophistication', 'Essay Writing', 'Intentions in the Study of Conversation', 'Conversations Across Cultures', 'Game Theory, Coordination and Politeness', and 'Mindreading and Interaction'.
 9. Lecturer: Self, Agency and Will, University of Edinburgh, Autumn 2011.
Four two-hour lectures given on 'Illusion of Conscious Will', 'Phenomenology of Agency', 'Shared Intention and Joint Action', and 'Sense of Joint Agency'.
 10. Tutor: Logic, University of Edinburgh, Spring 2010, 3 h/week.
Topics covered: Propositional logic and predicate logic (through exercises and discussions of solutions, typically using the semantic tableaux method).

11. Tutor: Mind, Matter & Language, University of Edinburgh, Autumn 2009, 3h/week.
Topics covered: Dualism, Behaviourism, Identity theory, Functionalism, Instrumentalism, The Knowledge Argument, Zombies, Embodied Consciousness, Sense and Reference, Rigid Designators.
12. Tutor: Philosophy of Science, University of Edinburgh, Spring 2009, 2 h/week.
Topics covered: Logical positivism, The problem of induction, Falsificationism, Quine's "Two Dogmas of Empiricism", Scientific revolutions and theory change, Theory-ladenness of observation, The Strong Programme.
13. Tutor: Technology and Ethics, Linköping University, Sweden, Autumn 2003.
I tutored several groups, amounting to a total work time of 14 hours.
Topics covered: Critical thinking and argumentation analysis (using case studies related to environmental ethics and bioethics).

Supervision of PhD students

1. Principal supervisor ('huvudhandledare'): Mohammadhadi Fazeli, Practical Philosophy, Department of Philosophy, Linguistics, and Theory of Science, University of Gothenburg since February 1, 2020.
2. Associate supervisor ('biträdande handledare'): Aleksandar Velichkov, Practical Philosophy, Department of Philosophy, Lund University, since September 1, 2019.

Training in teaching and learning in higher education

1. Doctoral supervision, two weeks, Lund University, Autumn 2019.
2. Kursansvar i högre utbildning (Course Design in Higher Education), three weeks, Lund University, Spring 2019.
3. Lärarrollen i högre utbildning (Teaching and Learning in Higher Education), two weeks, Lund University, Autumn 2018.
