

Sabrina Doering

Affiliation University of Gothenburg
Institute of Neuroscience and Physiology
Department of Psychiatry and Neurochemistry

Education

2017 - 2021 **Doctor of Philosophy (Ph.D.), Department of Psychiatry and Neurochemistry, Institute of Neuroscience and Physiology, University of Gothenburg**

Subject: Medical Science, Psychiatry (240hp)

Date of thesis defense: December 17, 2021

Doctoral thesis: "Internalizing problems in childhood and adolescence: predictive, etiological, and neurodevelopmental aspects" (<http://hdl.handle.net/2077/69678>)

2015 – 2017 **Master of Science (M.Sc.), University of Basel, Switzerland**

Subject: Clinical Psychology and Neuroscience (120hp)

Master's thesis: "On acceptance and radiant heat pain tolerance in a clinical population"

2011 – 2014 **Bachelor of Science (B.Sc.), Radboud Universiteit Nijmegen, the Netherlands**

Subject: Psychology (180hp)

Bachelor's thesis: "Association between serotonin transporter variance, abuse, and psychopathic traits in women"

Experience

2022 – present **Postdoctoral researcher**

Department of Psychiatry and Neurochemistry, Institute of Neuroscience and Physiology, University of Gothenburg

2017 – 2020 **Marie Curie Early Stage Researcher**

Centre for Ethics, Law and Mental Health (CELAM), University of Gothenburg

European Commission Horizon 2020 framework programme "CAPICE" (*Childhood and Adolescence Psychopathology: Unravelling the complex etiology by a large interdisciplinary Collaboration in Europe*); <https://www.capice-project.eu/>

Research courses/workshops within the CAPICE project:

2020 Career development, Imperial College London, United Kingdom

2019 Mendelian randomization and epigenetics, University of Bristol, United Kingdom

2019 Childhood psychopathology, Erasmus University Rotterdam, the Netherlands

2018 Statistical genetics; genome-wide association studies, Imperial College London

2018 Secondment at the Vrije Universiteit Amsterdam, the Netherlands

2018 Behavioral genetics, King's College London, United Kingdom

2015 – 2016 **Research assistant**

Department of Clinical Psychology and Intervention Science, University of Basel, Switzerland and University Psychiatric Clinics Basel, Switzerland

2014 – 2015 **Research assistant**
Swiss Tropical and Public Health Institute, Basel, Switzerland

2013 – 2014 **Student research assistant**
Behavioral Science Institute, Radboud Universiteit Nijmegen, the Netherlands
