

# CURRICULUM VITAE

## LISA GOLDKUHL

---

### Work address:

Institute of Health and Care Sciences  
Sahlgrenska Academy  
University of Gothenburg  
PO-Box 457  
Arvid Wallgrens backe, house 1 level 0  
Telephone: +46 (0) 766-18 60 83  
E-mail: [lisa.goldkuhl@gu.se](mailto:lisa.goldkuhl@gu.se)

### Personal:

Date of birth: 1983-03-10  
Citizenship: Swedish  
Languages: Swedish (fluent), English (fluent)

## PROFESSIONAL EXPERIENCE

---

### Doctoral candidate

Institute of Health and Care Sciences, Sahlgrenska Academy, University of Gothenburg, Sweden. April 2019 – Ongoing

- Doctoral studies as part of the research project *Room4Birth* that aims to extend the evidence-based knowledge about the hospital birth environment design
- Institutional duty mainly including teaching at the Midwifery program

### Registered Midwife

Department of Obstetrics and Gynecology, Sahlgrenska University Hospital, Region Västra Götaland, Gothenburg, Sweden. February 2011 – Ongoing

- Antenatal, peripartum and postpartum care at the labour- and postpartum wards
- Research midwife for the research project *Room4Birth*
- Group leader of the quality improvement group: *Support during labour*. Involved in the quality improvement groups working with *Induction of labour* and *Fetal heart monitoring*
- Editor for the weekly staff newspaper *Kanalén*

### Registered Nurse

Consulting agency Achima Helse, Norway. January 2009 – October 2009

- Consulting nurse at hospitals in Oslo, Lørenskog and Bodø, Norway. Worked at emergency departments, infection-, gynecology-, medicine- and surgical wards

### Registered Nurse

Department of Orthopedics, Sahlgrenska University Hospital, Region Västra Götaland, Gothenburg, Sweden. January 2008 – January 2009

- Caring for patients pre- and post orthopedic surgery

## EDUCATION

---

### **PhD in Health and Care Sciences**

Institute of Health and Care Sciences, Sahlgrenska Academy, University of Gothenburg, Sweden. Expected January 2024

- Dissertation title: *Room for birth – The influence of the birth environment design on birth outcomes and experiences*. Main supervisor: Marie Berg

### **Master of Science (1 year) in Caring Sciences / Midwifery Program**

90 higher education credits. Faculty of Caring Science, Work Life and Social Welfare, University of Borås, Sweden. August 2009 – January 2011

### **Bachelor of Science in Nursing Sciences**

180 higher education credits. Faculty of Medicine and Health Sciences, University of Linköping, Sweden. January 2005 – January 2008

## COMPLETED PhD COURSES

---

PhD Proficiency Course (2 credits).

Third cycle. University of Gothenburg, Sweden. Fall term 2022

The impact of place and space in health care settings on health and wellbeing (5 credits).

Third cycle. University of Gothenburg, Sweden. Spring term 2022

Writing Effective Scientific Research Articles (6 credits).

Third cycle. University of Gothenburg, Sweden. Spring term 2022

Medical statistics 1 (5 credits).

Third cycle. University of Gothenburg, Sweden. Fall term 2021

Half time seminar (part II) (5 credits).

Third cycle. University of Gothenburg, Sweden. Spring term 2021

Models and theories for midwifery (5 credits).

Third cycle. Metropolitan University of Oslo, Norway. Spring term 2021

Qualitative Methods within Health Sciences I (5 credits).

Third cycle. University of Gothenburg, Sweden. Fall term 2020

Introduction to Research (Part I) (8 credits).

Third cycle. University of Gothenburg, Sweden. Spring term 2020

Complex interventions in health care with a special focus on adults and older persons (5 credits). Third cycle, University of Lund, Sweden. Spring term 2020

Ethnography: theory, methods, and ethics (7,5 credits).

Third cycle, Linneaus University, Sweden. Fall term 2019

## OTHER EDUCATION

---

Teaching and Learning in Higher Education 1 (3,5 weeks).

University of Gothenburg, Sweden. Fall term 2021

Preceptorship of students in clinical practice (7,5 credits).  
Higher education. University of Gothenburg, Sweden. Fall term 2014

## SCIENTIFIC MERITS

---

### Publications (n = 4)

**Goldkuhl L**, Gyllensten H, Begley C, Nilsson C, Wijk H, Lindahl G, Uvnäs-Moberg K, Berg M. Impact of Birthing Room Design on Maternal Childbirth Experience: Results From the Room4Birth Randomized Trial. *HERD*. 2022 Oct 14;19375867221124232. doi: 10.1177/19375867221124232.

**Goldkuhl L**, Gyllensten H, Begley C, Wijk H, Nilsson C, Lindahl G, Ringqvist AK, Uvnäs-Moberg K, Berg M. Room4Birth - The effect of giving birth in a hospital birthing room designed with person-centred considerations: A Swedish randomised controlled trial. *Sex Reprod Healthc*. 2022 Jun;32:100731. doi: 10.1016/j.srhc.2022.100731.

**Goldkuhl L**, Dellenborg L, Berg M, Wijk H, Nilsson C. The influence and meaning of the birth environment for nulliparous women at a hospital-based labour ward in Sweden: An ethnographic study. *Women and Birth*. 2022 Jul;35(4):e337-e347. doi: 10.1016/j.wombi.2021.07.005.

Room4Birth - the effect of an adaptable birthing room on labour and birth outcomes for nulliparous women at term with spontaneous labour start: study protocol for a randomised controlled superiority trial in Sweden. *Trials*. 2019 Nov 19;20(1):629. doi: 10.1186/s13063-019-3765-x.

### Conference contributions (n = 3)

**Goldkuhl L**, Gyllensten H, Nilsson C, Wijk H, Berg M. Impact of the built environment on labour and birth outcomes: the Swedish Room4Birth randomised trial. 33<sup>rd</sup> ICM Triennial Virtual Congress, Bali, Indonesia. Accepted for oral presentation in June 2023

**Goldkuhl L**, Dellenborg L, Berg M, Wijk H, Nilsson C. An ethnography of the influence and meaning of the hospital birthing room for labouring nulliparous women. Nordic Midwifery Congress, Helsinki May 2022

**Goldkuhl L**, Johansson C, Skogström L B, Berg M. An adaptable birthing room and its effect on labour and birth – feasibility study for the randomised controlled trial; Room4Birth in Sweden. 32<sup>nd</sup> ICM Triennial Virtual Congress June 2021

### Popular scientific publication

Goldkuhl L. Förlossningsrumsstudien. *Jordemodern* 2020 No. 5, s 12-13.

### Peer review

Pre-dissertation seminar for PhD student Kajsa Nolbeck “*Confinement and Caring - On sociomaterial practices in secured institutions for youths.*” Doctoral Thesis. November 2021

European journal of midwifery. Manuscript ID eISSN: 2585-2906

## Received travel grants

- Vivian Wahlbergs research fund. 5000 SEK. 2020.
- Kungliga & Hvitfeldtska foundation. 30 000 SEK. 2020.
- Adlerbertska scholarship. 20 000 SEK. 2020.
- The Sahlgrenska Academy travel grant for PhD students. 9000 SEK. 2020 and 2022.

Total amount in received grants: 64 000 SEK

## TEACHING EXPERIENCE

---

### Course Leader

*Normal Childbearing* (7,5 higher education credits) at the Midwifery Program. Fall term 2022. Institute of Health and Care Sciences, University of Gothenburg, Sweden.

### Lecturer in Master's program of Midwifery

Institute of Health and Care Sciences, University of Gothenburg, Sweden. Fall 2019 - Ongoing

- *Normal Childbearing* (7,5 credits). Lectures about the normal birth process, professional support, and practical examinations.
- *The midwifery art of childbirth I* (12 credits). Examination of students undergoing clinical practice at the labour ward. Leading a seminar about professional support during labour.
- *The Midwifery art of childbirth II* (10,5 credits). Examination of students undergoing clinical practice at the labour ward. Leading an examination in professional support during labour.
- *Profession, Theory and Method I* (3 credits). Lecture about birth environment design research.
- *Sexual and Reproductive Health II* (7,5 credits). Practical examinations in breech birth.

### Lecturer in third cycle level

Institute of Health and Care Sciences, University of Gothenburg, Sweden. Spring term 2022

- *The impact of place and space in health care settings on health and wellbeing* (5 credits). Lecture about the influence of the birth environment design on birth outcomes.

### Supervisor of Master thesis

- Ester Bohlin and Ida Pedersen. *Women's experience of home abortion – a literature review*. Fall term 2021.

## DEPARTMENTAL DUTIES

---

Committee for postgraduate studies at Institute of Health and Care Sciences, doctoral student representative. January 2022 – Ongoing.
