

UNIVERSITY OF GOTHENBURG  
SCHOOL OF BUSINESS, ECONOMICS AND LAW

## Curriculum Vitae Max Boholm

Department of Gothenburg Research institute  
+4631 786 5624  
[max.boholm@gu.se](mailto:max.boholm@gu.se)

### Academic degrees

2016                      Ph.D., Planning and Decision Analysis specialised in Risk and Safety,  
Royal Institute of Technology (KTH)

### Positions within academia:

2014 - 2016              Doctoral student, Royal Institute of Technology (KTH)

### Main research fields:

concepts, discourse, risk, nano, cybersecurity

### Main teaching fields:

language and cognition; the concept of risk

## Academic experience

---

### Reviewer assignments:

Journal of Risk Research, Sustainability, Wildlife Biology, Sociological Forum, European  
Journal of Forest Research, Journal of Cleaner Production, Risk Analysis

## Publications

---
