2010 Prize for best presentation and scientific abstract in nutrition at Medicinska riksstämman.

**9. Grants as main applicant (2017-2020)**

Year	Sum (SEK)	Foundation	Project title
2019-2020	1 000 000	ALF	Effekterna av mammans D-vitaminstatus under graviditeten för fostrens och barnens hälsa
2019-2021	3 3030 000	FORTE	May prevention of low maternal vitamin D intake and status in pregnancy benefit health throughout childhood?
2018	100 000	Mary von Sydow	PREDIN – effects of vitamin D supplementation in pregnancy
2017	20 000	Kungliga Vetenskaps- och Vitterhetssamhället	Maternal vitamin D status in relation to fetal growth and survival: the Gravid cohort.

**10. Grants as co-applicant**

Year	Sum (SEK)	Foundation	Project title
2018-2021	3000 030	FORTE	iNDIGO (Main applicant Anna Winkvist)
2017	215 000	Regionala FOU	Are Swedish lactating women iodine deficient? A controlled one-year prospective study in lactating women - the BUGA study (Main applicant Mille Milakovic)
2016-2019	6 000 000	VR	Socioekonomiska skillnader i kost och hälsa under 1900-talet: En longitudinell studie. (Main applicant Christer Lundh)

**11. Administration**

- 2013 - 2018 Board member (ersättare) in the graduate education committee at Sahlgrenska academy, GU.
- 2013 - 2018 Vice chair of the graduate education committee at Institute of Medicine, GU.
- 2009 - 2012 Board member of the graduate education committee at Institute of Medicine, GU.
- 2019 – Board member of the graduate education committee at Institute of Medicine, GU.

**12. Pedagogic experience at third cycle level**

- a) PhD course Grant writing (6 credits). Course leader including lecturers, seminars and examination in 2016 and 2017, at the Sahlgrenska academy, GU.
- b) PhD course Introduction to research (8 credits). Assisting course leader including lecturers, seminars and examination in 2017 and 2018; given each term and obligatory for all new PhD students (about 80 per term) at the Sahlgrenska academy, GU.
- c) PhD Proficiency course (2 credits) given each term. Assisting course leader including lecturers, seminars and examination; 2017 and 2018 each term for about 70 PhD students at the Sahlgrenska academy, GU.
- d) Academic writing for PhD students: writing the effective research article (6 credits). Assisting course leader including administration and examination, autumn 2017 and spring 2018 at the Sahlgrenska academy, GU.
- e) Master training course Nutrition and reproduction (7.5 credits). Course leader including lectures, seminars and examination, 2011 and 2012, at Sahlgrenska academy, GU.

**13. Supervision of PhD students**

- Main supervisor for PhD student Petra Brembeck (with defence of thesis in Oct 2015) at GU.
- Main supervisor for PhD student Linnea Bärebring (with defence of thesis in May 2017) at GU.

#### **14. Review assignments**

##### *Opponent*

2018-11-22 First opponent at the dissertation of Miriam Gustafsson at Norges Teknisk Naturvitenskapelige Universitet (NTNU)

2017-01-20 First opponent at the dissertation of Arthur Cortatos at Oslo university

##### *Member of examination committee*

2018-10-26 at dissertation for Taye Demeke at GU.

2018-06-11 at licenciate examination for Julie Johannesson at GU.

2016-05-27 at dissertation for Maria Lindqvist at Umeå university.

##### *Member of evaluation committee at half time seminars*

2011-03-08 Therese Karlsson at GU

2015-01-16 Ebba Brann at GU

2015-11-27 Louise Arvidsson at GU

2015-08-19 Linda Englund Ögge at GU

2016-09-27 Taye Demeke at GU.

##### *Reviewer of international applications*

Since March 2018, repeated reviewer within the third cycle education programme Consortium for Advanced Research Training in Africa (CARTA), which help building research environments and third cycle education in Africa <http://www.cartafrika.org/>.

November 2017, external reviewer for an application for the Public Health Agency for CHITIN project partnership within the INTERREG VA funding scheme managed by EU.

##### *Reviewer of scientific reports*

January 2018, expert reviewer of the report on vitamin D recommendations in pregnant and lactating women on behalf of the Swedish Food Agency.

#### **15. Leadership courses**

i) Research leader initiative at GU in 2016/2017 (10 days).

ii) Advanced seminar within the European Nutrition Leadership Programme (ENLP) Luxemburg, April 2014 (5 days).

iii) Seminar ENLP, Luxemburg, April 2007 (7 days).
